## Nursery

This week we have been learning about freezing and melting in our 'Rowena Einsteins' laboratory.

## Class 1 & Class 2 (Reception)

This week in Reception, we explored 3D shapes both indoors and in our outdoor area. We enjoyed printing with them and discussing their properties.

## Class 3, Class 4 & Class 5 (Year 1)

In computing this week, we have been writing algorithms (instructions) to make our Bee-Bots move in different ways.

## Class 6, Class 7 & Class 8 (Year 2)

In Year 2 this week, we have been using expanded noun phrases to add detail in our description of the Wizard's castle.

## PE KIT - REMINDER

Please remember to send your child with a PE Kit (white t-shirt and black shorts) every Monday and leave it on their peg until Friday. We have had up to 10 children in some classes without PE Kits and do not have enough spares for everyone.

Earrings - Please remember to take your child's earrings out on PE Days or teach them how to do this for themselves.

## World Book Day

Thursday 1<sup>st</sup> March is World Book Day and the theme this year is 'Share a Story'. Children are invited to come dressed as their favourite book character. In addition to this we are holding a competition to see who can 'Share a Story' in the most unusual place. There will be prizes for the most creative photos!

## Attendance Initiative Update

Congratulations to the 138 children who took home a prize on Wednesday for achieving 100% attendance during our recent attendance initiative and the 11 children who received a smaller prize for achieving over 97%.

Congratulations to Cian and his family who won the £50 Meadowhall voucher.

**Well Done Everyone!**
