Thursday	Breakfast Buddies	Reading Buddies Storytellers	Bookworms Bungalow Bunch
Friday	Breakfast Buddies	Reading Buddies Storytellers	Bookworms Football Bungalow Bunch

### Nursery

This week in Nursery, we have been learning about animals that live in the Arctic and Antarctic. Look at the fantastic snowy buns we have made!

### Class 1 & Class 2 (Reception)

In Reception this week we have been exploring the story of 'The Very Hungry Caterpillar' in Literacy and in Mathematics. In Literacy we have created a story board, retold the key events, found and written about the fruits which were hidden in the outdoor area and written our own versions of the story. In Mathematics we have been completing 'very hungry' subtractions using fruit to help us.

### Class 3, Class 4 & Class 5 (Year 1)

Year 1 have been learning about South Africa in Geography this week. We enjoyed discovering many facts about the country, including their language and what animals we would find living there!

### Class 6, Class 7 & Class 8 (Year 2)

In Year 2 this week, we have been focusing on the life of Florence Nightingale. We were amazed to learn how determined she was and how she helped to change nursing for the better!

### Important Dates for Year 1

Our Y1 children will be completing their Phonics Screening check between Monday 11th and Friday 15th June.

It will be vitally important that your child is in school, on time, every day.

**NO HOLIDAYS WILL BE AUTHORISED DURING THIS IMPORTANT TIME.**

### Summer is on its way!

Now that the weather is improving we would like to remind you to send your child with sun cream applied and with a sun hat and water bottle.

Please also ensure that your child brings a coat/jacket in case the weather changes during the day.

Please remember to send your child with their PE Kit on a Monday and leave it on their peg.

### Active Bikers

A huge 'Thank You' to Active Fusion who helped our first group of Reception children develop their skills on the balance bikes this week. We had lots of proud children as they learned to cycle around the playground. Our next group of Reception children will take part this Friday.

### Bike it Breakfast

Congratulations to all the children and adults who scooted or biked it to school on Friday and attended our bike it breakfast.

### E-safety

Please take time to look at these useful links to help keep your child safe online
