

Context Information - Academy

Rowena Academy is a Nursery and Infant Converter Academy (age range 3 - 7) situated in Conisbrough near Doncaster. Rowena became an Academy on November 1st 2011 within DELTA Academies Trust.

The Academy became a Teaching School in September 2014 and has supported many other Academies and Schools in improving their practice.

The current number on roll is 300, with a Standard Admission Number of 80. The Academy continues to attract high numbers of pupils due to popularity in the community. The school serves its immediate community but does have some children who come from outside the catchment area as a result of parental choice. Many of these are children with Special Educational Needs or Disability who come to Rowena because of its outstanding provision for pupils with additional needs.

Conisbrough is a former mining community which was hit hard by the pit closures in the 1980's. The majority of our pupils live in areas where there is deprivation characterised by high unemployment, an inadequate employment base, low average income levels, rundown housing estates and poor health. Rowena Academy is situated in an area of high social and economic disadvantage. According to the Index of Multiple Deprivation the Conisbrough ward was ranked at 3,085 out of 32,482 LSOAs in England, where 1 was the most deprived LSOA and 32,482 the least deprived.
