## Nursery

The Nursery children have enjoyed learning all about Number Puppy 6 this week. We particularly enjoyed making some yummy biscuits and decorating them by carefully writing a number 6 on them using purple icing, which is our colour of the week!

## Reception (Classes 1 & 2)

The children in Reception have enjoyed exploring Numicon to create number bonds to 5 and complete the matching number sentences. They have done an amazing job!

Keep up the good work everyone!

## Year 1 (Classes 3, 4 & 5)

Year 1 had a fun filled Topic Launch Day this week where they spent the day doing exciting activities all about their new topic 'Commotion in the Ocean!' The children enjoyed creating their own sea creatures, writing fact files all about them and completing an under the sea yoga session!

## Year 2 (Classes 6, 7 & 8)

In English this week we recapped our visit from Sam's Safaris and continued our work on non-chronological reports. The children had to find and record interesting facts about different reptiles which they used in their reports this week.

## Messages from Mrs Benton

### Half Term Attendance Initiative

The DfE has set our whole school attendance target at 96%.

To help us achieve this whole school target at Rowena Academy, we will be running an Attendance and Punctuality Initiative in the run up to Half Term.

This will involve all children attempting to arrive on time and achieve 100% attendance between Tuesday 17th January and Friday 10th February.

Every child that achieves 100% attendance and arrives on time every day will win a prize and also have their names entered into a draw to win a Smyths Toys Gift Voucher!

Please support our efforts to achieve this target. Good Luck!

## Safeguarding

At Rowena Academy, our school community has a duty to safeguard and promote the welfare of children. Our Designated Child Protection Leads are Mrs Benton, Ms Kahler and Mrs Maddison.

If you have any concerns about the welfare of a child in our Academy, please speak to one of the designated staff.
