Becoming King

On 10th September 2022, he was officially proclaimed King at St. James's Palace in London.

This event followed the death of his mother, Queen Elizabeth II, two days earlier.

King Charles III became the oldest person to be named monarch in British history at the age of 73. Before him, the oldest person to take the throne had been King William IV at the age of 64.

He is also the longest-serving heir in British history. He had been heir to the throne for 70 years before he became King.

Who Is King Charles III?
