Nursery

The Nursery children have enjoyed learning about Number Puppy 4. Look at the fantastic square biscuits they have baked with pink icing and 4 chocolates on top – all of Number Puppy 4's favourite things!

Reception (Classes 1 & 2)

This week the children have been 'Ordering Experts!' They received a special message in bottle from Captain Order and followed his given instructions to find, recognise and order his numbered treasure coins and Numicon! Amazing maths work everyone!

Year 1 (Classes 3, 4 & 5)

In Mathematics this week the children have been learning about addition and subtraction. The children have enjoyed exploring a range of strategies and choosing their preferred one for solving addition and subtraction problems.

Year 2 (Classes 6, 7 & 8)

This week in Year 2 the children used globes and atlases to identify and locate hot and cold areas of the world. They made links to their location in relation to the equator before completing their own climate map by colour coding.

Countdown to Christmas - Attendance Initiative

The DfE has set our whole school attendance target at 96%.

To help us achieve this whole school target at Rowena Academy, we will be running an Attendance and Punctuality Initiative in the run up to Christmas.

This will involve all children attempting to arrive on time and achieve 100% attendance between Friday 1st December and Friday 22nd December.

Every child that achieves 100% attendance and arrives on time every day will win a prize and also have their names entered into a draw to win a Smyths Toys Gift Voucher.

Please support our efforts to achieve this target. Good Luck!

Safeguarding

At Rowena Academy, our school community has a duty to safeguard and promote the welfare of children. Our Designated Child Protection Leads are Miss Cowlshaw, Ms Kahler and Mrs Maddison.

If you have any concerns about the welfare of a child in our Academy, please speak to one of the designated staff.
