Thursday 8th February	Monday 26th February
Chinese New Year Focus Day	Professor Brainstorm Visit
Friday 9th February	Thursday 7th March
School Closes for Half Term	World Book Day

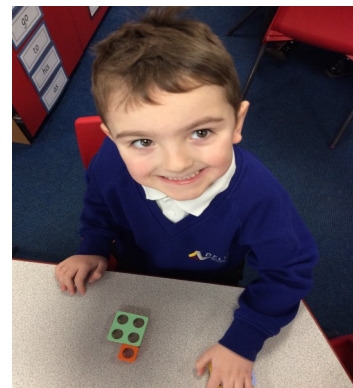

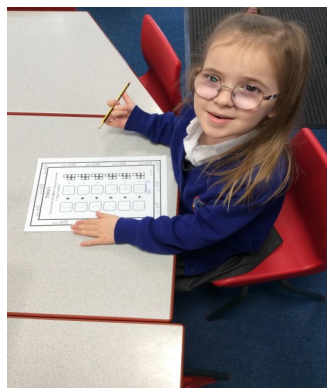

## Nursery

This week in Nursery we have been learning about the Nursery Rhyme 'Hickory Dickory Dock'. The children have enjoyed making their own little mice to climb up the clock in Nursery!

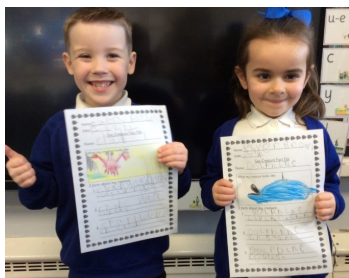

## Reception (Classes 1 & 2)

In Mathematics this week, the children have explored their Number Bonds to 5 using Numicon! They did an amazing job and enjoyed recording them within number sentences.

## Year 1 (Classes 3, 4 & 5)

Year 1 enjoyed celebrating the launch of their new topic 'Commotion in the Ocean' this week! We had a fantastic time making our own sea creatures, writing interesting sea creature fact files and taking part in some exciting under the sea yoga!

## Year 2 (Classes 6, 7 & 8)

In English this week we recapped our visit from Sam's Safaris and began writing non-chronological reports. The children had to find and record interesting facts about different reptiles which they then used in their reports this week.

## Messages from Miss Cowlshaw

Another wonderful week in the academy this week! Well done to all of our children for their fantastic work and wonderful attitudes towards learning.

As the weather becomes increasingly cold, please do encourage your children to select a hot school dinner when ordering their lunches, rather than one of the cold lunch options. We have a fantastic chef onsite at the moment and a lovely hot dinner does help on these chilly days :)

## Safeguarding

At Rowena Academy, our school community has a duty to safeguard and promote the welfare of children. This means that we have a Child Protection Policy and procedures in place. All staff, including our volunteers and cover staff, are DBS checked.

Our Designated Child Protection Leads are Miss Cowlshaw, Ms Kahler and Mrs Maddison.

If you have any concerns about the welfare of a child in our Academy, please speak to one of the designated staff.
