Monday 26th February	Thursday 28th March
Professor Brainstorm Visit	School closes for Easter Holidays

Nursery

The Nursery children have enjoyed celebrating Chinese New Year by cooking and tasting Chinese food, making lanterns and learning a ribbon dance. We also had a fantastic story from Becky at 'Debutots', about Chinese dragons!

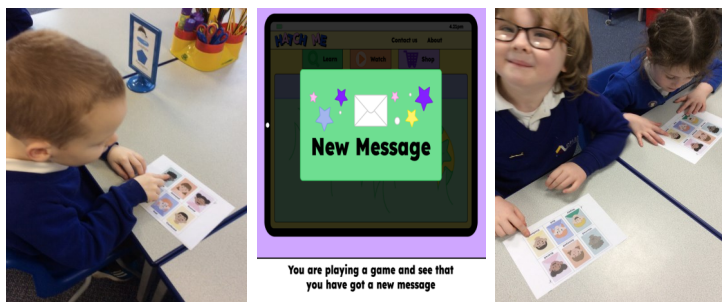

Reception (Classes 1 & 2)

We have loved exploring the book, 'Supertato Veggies Assemble' and have drawn some amazing pictures to illustrate what thoughts the character, 'Evil Pea' may have! We then wrote some great sentences about them!

Year 1 (Classes 3, 4 & 5)

The children in Year 1 really impressed the grown ups this week for Safer Internet Day this week. The children could discuss the importance of staying safe online and could suggest sensible ideas for if something makes them feel worried. They thought carefully about how different scenarios could make them feel and what they could do to solve them.

Year 2 (Classes 6, 7 & 8)

The children in Year 2 enjoyed taking part in the 'Ribbon Dancing' on Thursday as part of the Chinese New Year celebrations.

Messages from Miss Cowlshaw

What a wonderful week filled with celebrations for some very important occasions!
We have learnt a lot about keeping safe on the internet and had a wonderful time learning Chinese ribbon dancing and sampling Chinese cuisine.
After such a busy half term, we hope you all have a lovely restful week and look forward to seeing you back at school on Monday 19th February for another super half term.

Safeguarding

As with the majority of schools in the country, we do not have a 'parent' car park and we do encourage walking to school where possible. However, if you do need to drive to drop off or collect your child please park considerately and ensure you are not obstructing driveways or access to roads. Please be respectful of our neighbours and remember that parking on zig-zag lines at any time of the day is prohibited. Our children's safety is our main priority and this includes their journey to and from school. We appreciate your support in this matter.
