Thursday 28th March	School closes for Easter Holidays
Monday 15th April	School Reopens
Monday 6th May	Bank Holiday - School Closed

Nursery

The Nursery children have had a fantastic start to their new topic 'Emergency Services to the Rescue' with a visit from the Police. They learnt all about the job role of a Police Officer and had a turn to sit in the back of the riot van. Their favourite thing to do however was to sit in the driving seat and make the sirens go!

Reception (Classes 1 & 2)

The children were excited to start our new topic, 'Our Wonderful World'. In class and on Seesaw, they enjoyed sharing the facts they already knew about the world and thought carefully about what activities they would like to do and what information they would like to discover!

Year 1 (Classes 3, 4 & 5)

Year 1 had an amazing time on their visit to The Deep this week as part of their Commotion in the Ocean topic where we did some interesting learning on how we can look after the environment to keep the oceans clean and safe for the animals! We also had a fantastic time exploring The Deep and admiring the beautiful sea creatures!

Year 2 (Classes 6, 7 & 8)

In Year 2 this week the children have been learning about the artist Gustav Klimt and his magical work. We looked at some of his prints and produced some initial sketches with an emphasis on quality and detail.

Messages from Miss Cowlshaw

A wonderful busy week with fantastic educational visits off-site and visitors in school! We also had a super week for attendance - five classes achieved green apples on our attendance tree, with attendance over 96%! Well done and keep up the great work :) Remember, every day matters!

Safeguarding

As with the majority of schools in the country, we do not have a 'parent' car park and we do encourage walking to school where possible. However, if you do need to drive to drop off or collect your child please park considerately and ensure you are not obstructing driveways or access to roads. Please be respectful of our neighbours and remember that parking on zig-zag lines at any time of the day is prohibited. Our children's safety is our main priority and this includes their journey to and from school. We appreciate your support in this matter.
