

Computing Knowledge Organiser: Year 1 – Unit 1.2 – Grouping and Sorting

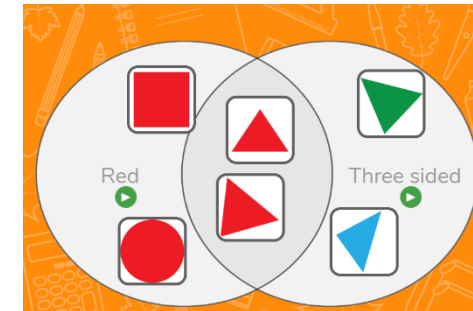

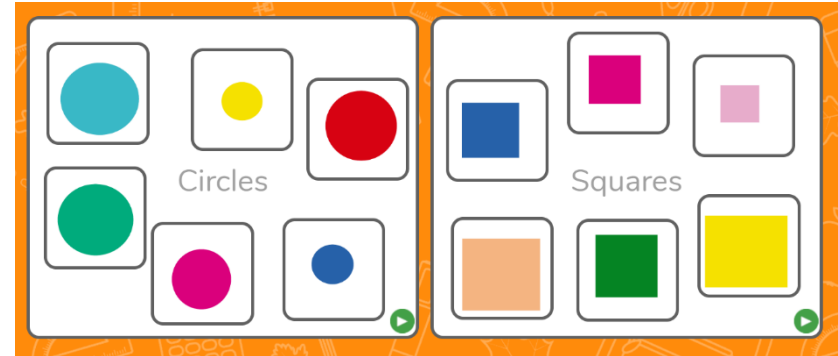

What do I already know?

- We can sort objects in front of us.
- We can group objects in different ways.

Key Resources

Key Images

Key Learning

- ✓ To sort items using a range of criteria.
- ✓ To sort items on the computer using the 'Grouping' activities in Purple Mash.

Key Vocabulary

Sort - Put things together by features they have in common.

Criteria - A way in which something is judged.

Key Question

In what ways can we sort objects?

We can sort objects by different criteria. These include the size of the objects, the colour of the objects or the number of sides the object has. The criteria will depend on the type of objects being sorted.
