

# Computing Knowledge Organiser: Year 2 - Unit 2.2 - Online Safety

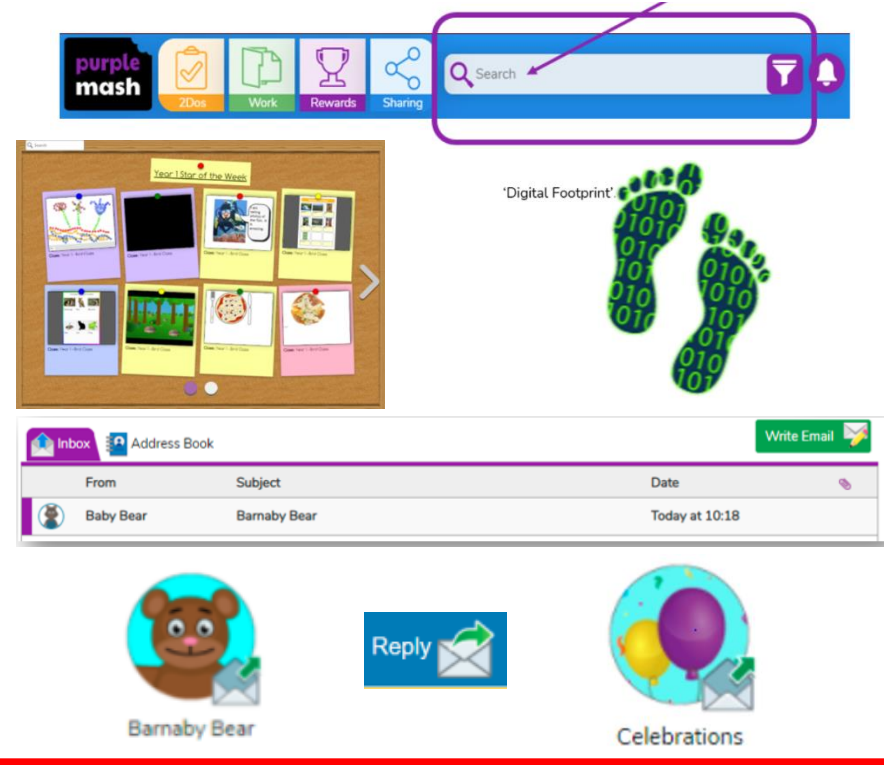

## What do I already know?

How to log in and out of Purple Mash safely.  
How to search and navigate Purple Mash correctly.

## Key Resources

## Key Images

## Key Learning

- ✓ To know how to refine searches using the Search tool
- ✓ To use digital technology to share work on Purple Mash to communicate and connect with others locally.
- ✓ To have some knowledge and understanding about sharing more globally on the Internet.
- ✓ To introduce Email as a communication tool using ZRespond simulations.
- ✓ To understand how we should talk to others in an online situation.
- ✓ To understand that information put online leaves a digital footprint or trail
- ✓ To identify the steps that can be taken to keep personal data and hardware secure.

**Display board**- In Purple Mash, this is a tool that enables you to share work with a wide audience.

**Internet**- A way to send information from one computer to another anywhere in the world using technology such as phones, satellites and radio links.

## Key Vocabulary

**Attachment**- A computer file sent with an email.

**Sharing**- Post or repost (something) on a website.

**Music**- Vocal or instrumental sounds (or both) played alone or combined.

**Search**- Look for information in (in a database or the World Wide Web) using a search engine.

**Digital Footprint**- The information about a person that exists on the Internet as a result of their online activity.
